I recently visited Thailand with Capture a trip and it was one of the most amazing experiences one could have.

The team put together the perfect itinerary where we enjoyed everything from the picturesque views, water sports to the crazy full moon party.

A shoutout to our most friendly trip captain Kartik who made sure we wake up on time and enjoy every moment of the trip including helping us with the VIP exit from the chaotic queue post full moon party. 😊

Thanks for such an amazing time, would definitely recommend it!

Recently i had been to Thailand full moon party with CAT. It was my first ever solo trip, was bit skeptical and anxious about everything, when I met my group every worry vanished into a thin air. It was a great trip where we had a lot of fun and created memories to cherish throughout our lives. Thank you CAT for making this possible for all of us and kudos to our guide Kartik, thanks to Kartik for being there for us ❤️

So I went to attend full moon party at Koh phanga, Thailand. It was a group of 18 people from different parts of the country. I must say I had one of the best trips of my life. Our group captain Kartik from CAT ensured the entire group makes an unforgettable trip. He was there throughout to take care of all our needs. Also Maaz and Vishal from CAT ensured they meet all their commitments.
